The screenshot shows the Dev-C++ 4.9.9.2 IDE with the file SinNombre1.cpp open. The code in the editor is as follows:

```
#include <stdio.h>
#include <stdlib.h>
#include <conio.h>

main()
{
    int y;
    printf ("restando numeros");
    y=2;
    printf ("%d ",y);
    y=y-2;
    printf ("%d ",y);
    getch();
}
```

The status bar at the bottom indicates the current line is 15:2 in the 'Insertar' mode, and the file has 17 lines.

The screenshot shows the execution of the program SinNombre1.exe. The output window displays the text "restando numeros2 0 _", which corresponds to the output of the printf statements in the code. The status bar at the bottom shows the current time as 23:36.
